2018 Annual Meeting June 23

The 2018 Annual Dinner and Program of the Historical Society of Washington County, Virginia will take place from 6-9pm on Saturday, June 23, 2018 at the Southwest Virginia Higher Education Center in Abingdon. The evening will begin with a social hour (wine will be available for purchase by the glass or you can BYOB), followed by a short business session to elect new members of the Society's Board of Directors as well as the President's Report and a Financial Report. A buffet dinner, catered by JJ's Restaurant and Sports Bar, will then be served.

This year's program speaker is Irvin Beech Wells, III. He will present a true to life tale, from the early 1900s, about fake weddings and tricked women who thought they were legally married. Wells was born and raised in Abingdon, attended Virginia Military Institute, had a challenging career as an FBI agent, and wrote a book, *Women of Summer*, based on a local newspaper article that detailed the fake wedding scam that impacted his family. Wells is the grandson of Irvin Beech Wells whose family had a large house on the NE corner of Main Street and Russell Road. He is also the great grandson of early Abingdon photographer George Wertz.

Tickets for the Dinner are \$25 each; these may be purchased at the Society office at 341 West Main Street, Abingdon or online at www.hswvc.org. Dress is casual or circa 1910 period dress. For more information or to reserve a ticket, please call the HSWCV at 276-623-8337 during regular business hours. We look forward to seeing you there!

During the business meeting, the following item will be presented to the membership for approval. This publication serves as notice of such proposed action.

The Nominating Committee presents two candidates for election as Directors, terms 2018-2021.

Cindy Large has a strong interest in history and genealogy. She is also a business person who has helped operate an antique business on Main Street and knows the community well.

Mark Hagy is a current member of Board of Directors and serves as Chair of the Local History Committee. He teaches history in the Governor's School at the Southwest Virginia Higher Education Center.

2018 Sinking Spring Cemetery Tour

The Historical Society of Washington County, Virginia's **Living History Tour of Sinking Spring Cemetery** will take place from 5:00-7:15pm on Sunday, July 28, 2018,

The Living History Tour is fast becoming a tradition. It is not only a nice little fund raiser but it is an excellent opportunity to let the community and County know who we are, what we do, and why we are here. By attending you can help the Society raise money, have a visible role, recruit new members, and have fun also! Bring the kids and grandkids; it is a pet and family-friendly event. This year parking will be available at the Society's new location, just steps away. Admission is \$5/ person.

In order to make this event a success, we need help! This help can take many different forms. We need people to serve as interpreters or "Spirits." We need people to set up chairs, help decorate the selected tombstones, place signs, organize groups, lead groups, sell tickets, greet visitors, and help in other capacities. Please consider giving a few hours of your time to assist in this event. Set-up will begin at 3:30pm at the Cummings Cabin.

If you are interested in assisting with the Tour, please contact Martha Keys (<u>martha.keys@comcast.net</u>) or Mark Hagy (<u>mhagy@hgs.k12.va.us</u>). You can also contact the HSWCV at 276-623-8337.

Cemeteries of Washington County, Virginia, Volume I, is at the printers. The book has been in the works for several years and is now about to become a reality. Volume I will contain corrections and updates of the 333 cemeteries in *High on a Windy* Hill by Catherine McConnell. The Washington County Cemetery Preservation Committee hopes the book will be available in the late summer/early fall of 2018. You will be able to buy the book from any member of the committee. Committee members are Charlie Barnette, John Gregory, Carol Hawthorne-Taylor, Barb Stewart, Troy Taylor and Doris Wells. The book will also be available through the Historical Society's web page and at the Historical Society library in Abingdon. The cost of the book is still undetermined, but you can reserve a copy by notifying one of the members or calling Carol at the Historical Society at 276-623-8337.

We're on the Web!

HSWCV.org

A Thing of Beauty and a

The **Media Center** has embarked on another ambitious program to launch us into our 14th year. We had totally outgrown our original three indices used with our in-house History Search+ program. There were too many images, too many types of images and too many opportunities for mistakes and duplications. We had no choice but to combine those three indices into one. The complete conversion will take a year or more but our system is flexible enough so the index system will be useable while this conversion takes place. We aren't Google! They have spoiled us all.

When we started we were only concerned about finding and retrieving all the images referring to "Jacob Bell". Now, increasingly we get asked: a] "Could I see all letters you have that were written during the Civil War?" b] "I'm considering buying the big white house on Main. Could you give me the history?" c] "My great uncle had some kind of business here. What was it and where was it?"

To meet these added demands we not only combined the three indices, but also modified the search system to allow us to offer more options. These options are:

- A] Type photographs or documents
- B] **Collection** certain groups of images are grouped together in a "collection"; or a significant donation can carry the donor's name
- C] **Category** every image fits into one of 42 categories; i.e. people, building, bible, fort, house, letter, map, mill, letterhead, obituary, railroad, school, survey, etc.
- D] **Primary and secondary** last and first name of a person, names of a school, business or town, the primary search subject
- E] Dates born, died, event; these are known dates, not estimates or "about"
- F] Details explanation or details about the image; keywords; space limited
- G] Image number every image has a distinct number; the suffix is the page number

I want to introduce you to two not-so-new members of the Media Center team. Ann Kite Lee is an Abingdon native, which is a huge advantage since the rest of us are not, and handles the write-up of the work sheets for me. She is a valuable resource in identifying people, places and things around Abingdon. Next is Betty Taylor Duncan, who handles the big repetitious scanning jobs for us. Betty makes scanning an assembly line process. We have affectionately named her "Speedy Gonzales" for her ability to scan whole books in record time.

At the end of each calendar year we do a count of images we have scanned, lines of index, etc. so we don't know exactly where we stand in mid-year. At the end of 2017 we had scanned **172,028** images and had about **180,000** lines of index. We haven't slowed down in 2018 but our output has been affected by the move. We are still working out of boxes and just got all our PCs up and running but we are very much open for business so stop by our little, not-so-quiet corner of the world.

Financial News and Updates

As you know, the Society purchased a new home in April of 2017. Because acquiring the building necessitated taking out a mortgage, and pre-move modifications have been expensive, we have incurred considerable financial obligation and increased operating expenses. We have gone from paying no rent (due to the generosity of the Town of Abingdon), to having a monthly mortgage payment of approximately \$1300, plus the increased utility costs of an 8000+ square foot building.

The Society's operating budget for year 2018 predicts a loss in excess of \$30,000. This loss, as in the case of prior years, deletes our invested savings the same way our building purchase drew down our savings and investment account. We look to our loyal members to again make operations financially successful through the balance of this year by your unrestricted donations, large and small, which cumulatively help our History of years past be the History of our future.

And recently, responding to the call, two anonymous donors – both Society members - generously gave \$25,000 each to the Society to be used to pay-down the mortgage and reduce monthly payments! These significant gifts will go a long way toward attaining the Society's long-term goal of owning a home of our own, and in the process help with the current financial stability of the Society.

We are deeply appreciative to these donors and their families and are honored to be the recipient of their trust in us to continue to collect, preserve and make accessible the records of people, places and events in Washington County, Virginia. It is hoped that by so doing, future generations may find common interest and knowledge in the unique heritage of our County and surrounding region.

Because the Society is a 501(c) [3] non-profit organization, donations are tax-deductible to the extent allowed by law. We will honor requests for anonymity.
